Jubilee of Mercy Playground Project is finally complete!

The **Extraordinary Jubilee of Mercy** was a Roman Catholic period of prayer held from 8 December 2015, the Feast of the Immaculate Conception, to 20 November 2016, the Feast of Christ the King. Like previous jubilees, it was seen by the Church as a period for remission of sins and universal pardon focusing particularly on God's forgiveness and mercy. It was an *extraordinary* Jubilee because it had not been predetermined long before; ordinary jubilees are usually celebrated every 25 years.

The 2016 Jubilee was first announced by Pope Francis on 13 March 2015. It was declared in the pope's April 2015 papal bull of indiction (formal announcement or proclamation) *Misericordiae Vultus* (Latin for "The Face of Mercy"). It is the 27th holy year in history, following the ordinary 2000 Jubilee during John Paul II's papacy. The opening day was also the 50th anniversary of the closing of the Second Vatican Council.

Francis wished for the Jubilee to be celebrated not only in Rome but all around the world; for the first time holy doors are open in single dioceses, either in the cathedral or in historical churches. The first holy door was opened by Pope Francis in Bangui on 29 November 2015, during a tour of East Africa. The Jubilee officially ended on November 20, 2016 with the closing of the Holy Door of Saint Peter's Basilica which was open since the Holy Year began the previous December.

Here at St. Hilary, we celebrated the Jubilee of Mercy with a decision to raise funds for the Akron Battered Women's Shelter (Now Called the Center for Hope and Healing). These funds were to be used for the building of a playground for the children of the shelter. Planning began in the Fall of 2016, but was sidelined due to a land swap by the Akron Fire Department for the building of a new Fire House on the land that was supposed to house the playground. The new area for the playground needed to be acquired and then readied for its new usage. Multiple delays ensued. In the meantime, the nearly \$70,000 that was raised by the generous people of St. Hilary remained in a designated fund.

We are happy to announce....finally!.....that the playground at the Center for Hope and Healing has now been built, and was Blessed and Dedicated by Father Steven Brunovsky this summer of 2020! The playground is in three sections: A swing set, a jungle gym, and a Gaga Pit (these are all the rage for kids today! See pics!) Good things come to those who wait, we are told, and we are excited about all of the good things that will come to the young people of the Center for Hope and Healing who will enjoy this playground for many years to come! We hope it will allow them to still savor the joy of childhood during a traumatic time in their life.

Abundant thanks to all who donated to this project almost four years ago! Your kindness and generosity are greatly appreciated!!!

Sincerely,

Father Steve Brunovsky

FAITH FORMATION

Gospel Reflection

22nd Sunday in Ordinary Time

Reflecting on the scriptures

So, if you recall, last week Peter was a rock, professing his belief in Jesus as the Christ, Son of the Living God. In today's gospel he's a stumbling block. When Peter strenuously objects to the suffering and death Jesus has revealed lies ahead for him, Jesus corrects him. "You are not thinking as God does, but as human beings do."

What was Peter thinking? And how is that different from how God thinks? We get some clues in Jesus' instruction to the disciples that follows. Where Peter might have expected that Jesus was destined for success and earthly rewards, he hears that to follow Jesus is to take up one's cross and live as he did. And Jesus promises that that kind of life is not loss but gain, not death, but fullness of life.

For Jesus there was a literal cross. For us, following him will look different, but the challenge is the same: to find your life by losing it. If it's hard to imagine walking in his footsteps, think about how he would walk in yours. If Jesus lived in your family, how would he treat your family members? If he worked your job or had your responsibilities, how would he handle them? When he took time to relax and refresh, how might that look? How would he handle the losses, the disappointments, the pain and suffering you experience? How would he engage in civic life?

Now we cannot hit a home run all the time. Look at Peter for an example of a called but flawed disciple. But the invitation to "follow Jesus" is extended to us also. "What would Jesus do?" still has relevance. We have today's scriptures to remind us that it won't always be easy, but it is the life God thinks is worth imitating.

SOCIAL ACTION

ST. HILARY KNIGHTS OF COLUMBUS

Measure Up Campaign—Thank You!

The St. Hilary Knights of Columbus would like to THANK those parishioners who donated to our Measure Up Campaign. Even with decreased church attendance due to COVID-19, we were able to collect nearly \$2300, matching last year's amount. Your generosity is very much appreciated, and the funds will go to support Ohio Special Olympics programs. If you would still like to donate, put your donation in an envelop marked "St. Hilary K of C" and either drop it at the church office or in next week's collection basket.

ST. VINCENT DE PAUL FOOD COLLECTION

SEPTEMBER 5 & 6

We will once again be resuming bringing food to the neighbors we visit. To prepare for this, we are collecting donations for the St. Vincent De Paul food drive the weekend of September 5 and 6. Please consider a donation of dry or canned goods. The donation bins will be located outside the entrances to the church. As a reminder for those donating, please check the expiration dates before dropping off the items since we cannot bring any expired food to our clients.

SEEDS OF CHANGE—THANK YOU!

Hello, St. Hilary Parishioners!

Thank you very much for your generosity in donating to the recent School Supplies Collection for Helen Arnold CLC. Three

carloads of supplies were delivered to Helen Arnold and sorted by volunteers. Almost 200 backpacks were filled and are ready to be passed out to the students. More are coming through donations so every student who needs a backpack will get one. A Vietnam veteran is making two clothing racks to hold winter coats that may be donated as the weather cools.

A successful "Welcome Drive-Through BASH" was held August 25. Many families received St. Hilary uniforms, sanitizers and food items in addition to encouragement with waves and virtual hugs from their teachers and volunteers from Seeds of Change and Akron Hope.

Please keep Helen Arnold students and their families in your prayers as they begin a new school year under very different circumstances this year.

Thank you, thank you for your continued support!

One Minute Meditations

Mysteries of faith

Legend says that St. Augustine was walking on a beach puzzling the mystery of the Holy Trinity when he spotted a boy filling a bucket from the ocean and dumping it in a hole. The boy said he was trying to fit the ocean into the hole. St. Augustine cried, "But you can never do that!" The boy replied, "And neither can you understand the Holy Trinity," and vanished. Some things we just have to take on faith.

"God bless you"

When you sneeze, think of Pope St. Gregory, the Great. In 590AD, the bubonic plague was spreading to Rome. To combat the disease, the pope requested incessant prayer. "God bless you!" in response to a sneeze was part of that effort.

"You shall not fear the terror of the night nor the arrow that flies by day, Nor the pestilence that roams in darkness, nor the plague that ravages at noon" (Psalm 91:5-6).

Do you trust God?

"The Lord is my strength and my shield, in whom my heart trusts" (Psalm 28:7). Do you trust God with everything in your life or only some things? Do you give him your problems but take them back when he doesn't do what you want? It is when we have complete trust in God that our lives work well.

Is God trustworthy? A person worthy of trust is one of good character and integrity. We have more than two thousand years of history that prove God means what he says and says what he means. He does what he promises.

Is God capable? God has power

over all creation – He even has power over life and death. Through the ages, we have learned that all things are possible with God. More to the point, God's Son told us that God loves us with unimaginable intensity so he always wants what is best for us. In fact, God is more qualified than we are to take care of what we need.

Are you ready to really trust God? Start by thanking him no matter what. Everything that he allows to happen to us is for our good. Then remind yourself that God is fully in charge. Finally, ask him what you should do next and do it.

Why Do Catholics Do That?

Why do Catholics believe the Eucharist is Jesus' Body and Blood?

The concept of transubstantiation means that, during Mass, the entire substance of bread changes into the substance of the Body of Christ. The entire substance of wine changes into the substance of His Blood. This change is brought about in the eucharistic

prayer through the Word of Christ and the action of the Holy Spirit.

However, the outward characteristics of bread and wine, the "eucharistic species," remain unaltered.

Jesus is truly present during Mass, Body and Blood, soul and divinity.

Make distractions a plus in prayer

There is no better way to build a relationship with Jesus than through prayer. Relying on His strength during difficult times is how we get through them. Yet when we become distracted during prayer, we can become discouraged and give up. Try these ideas for turning distractions into blessings:

Gently return. Start your prayer by placing yourself in the presence of God. When you wander, gently bring yourself back.

Practice recall. St. Frances de Sales said, "When your mind wanders or gives way to distractions,

gently recall it and place it once more close to its Divine Master. If you should do nothing else but repeat this during the whole time of prayer, your hour would be very well spent and you would perform a spiritual exercise most acceptable to God."

Turn distractions into prayer. If you start thinking about people and events unrelated to your prayer, pray about them and then return to the original subject of your prayer.

Pray out loud. When distractions overwhelm you, pray out loud.

from Scripture

Matthew 21:28-32, Faithful obedience.

Jesus told of a man who asked his two sons to go work in his vineyard. The first said, "No," but went anyway. The second said, "Yes," but didn't go. Which son did as the father asked?

The father in the parable is God. The first son represents the outcasts of society. They said "No" to God at first, but repented of their sins and changed.

The second son represents the Jewish religious leaders. They said "Yes," but it was just lip service. They followed rules rather than changing their hearts.

Saying, "Yes, God, I believe in you," is not enough. If we presume that the Lord will take us into Heaven just because we profess our faith, we will be disappointed. Words are not enough.

True obedience is lived. When we realize we are in a state of sin, we have two options. We can say we're sorry, or we can show we're sorry by going to Confession, doing sincere penance and amending our lives. Living as Jesus taught us is our way of "working in our Father's vineyard."

Q & A

How can I stop worrying about what other people think?

The problem with placing too much importance on other people's opinions of you is that you give them inappropriate power over you. In effect,

you are substituting other people's values and judgment for your own and there is no guarantee that they have your best interests – or your eternal future – at heart. Not everyone is interested in helping you get to Heaven.

Try instead to live by the rules detailed in the Ten Commandments and in the Beatitudes. They tell us to be devoted to God, to care for other people, to be honest and dedicated to truth, and to value the blessings God has given us.

Remember that there is value in being criticized or insulted even though you do the right thing. Not only can you offer it as penance for your sins, such suffering teaches humility and patience – two virtues that will help you get to Heaven. And when it comes down to it, the opinion of other people will pass, but God's judgment is forever.

Feasts & Celebrations

Sept. 8 - The Nativity of the Blessed Virgin Mary (1st century). Tradition holds that Mary was born in Jerusalem after her parents had been childless for more than twenty years. Mary's birth brought them – and us – joy.

Sept. 15 - Our Lady of Sorrows. In Luke 2:35, Simeon predicted Mary's sorrows as "a sword piercing" her soul. This referred, in part, to a time when Mary would stand at the foot of her son's Cross. Still, Mary stood dignified and fearless while others fled.

Sept. 21 - St. Matthew (1st century).

Also known as Levi, he was a notorious tax collector. St. Matthew left everything behind when Jesus called him to spread the Gospel. He wrote the Gospel According to Matthew.

Sept. 23 - St. Padre Pio (1968). Francesco Forgione was born to farmers in southern Italy. Eight years after he became a Capuchin Friar, the five wounds of Our Lord's Passion (stigmata) appeared on his body. Despite intense personal and physical suffering, he remained dedicated to prayer.
