JOIN US ON A HEALING JOURNEY WITH JESUS TO THE HOLY LAND!

Have you ever wanted to be in those amazing places where Jesus stood, preached, did his mighty acts of healing and compassion? Where he suffered, died and rose for us? Take advantage of a rare opportunity to **join Fr. Joshua Trefney for a life-changing pilgrimage to the Holy Land this coming Jan 4-13, 2023.** (Fr. Joshua was here at the parish for his diaconate year.) Among other places, we will visit sites of Jesus' healing miracles where Fr. Joshua, who has the gift of healing, will train us how to pray for healing. We will pray where Jesus prayed for those we know who suffer similar afflictions. *As well, enjoy shopping, a camel ride, lunch with "Father Abraham" our father in faith, and fresh, authentic Middle Eastern cuisine!* **Space is limited and deadline for registration is soon--mid-summer!**

Fall & Winter Bible Study

Bible Timeline 2.0

How well do you know your spiritual DNA? To know where we're going it really helps to know where we came from. The story of salvation, beginning with Genesis is many layered— befuddling, intriguing, mystifying, fascinating, full of justice as well as infidelity, cowardice and great courage. It can be riveting, but the meaning can elude us thousands of years later when we don't know the culture or context. The Bible is not assembled in chronological order and that makes it difficult to get the whole sweep of salvation history. This course puts it in order to bring clarity to all of that.

If you want to understand your purpose as God sees it, or if feel spiritually "stuck" or perplexed, this is the study for you. God's action among his people helps us to understand where we fit into the big picture and give us a vision on how to move forward.
