**Lectio: Mary** by Dr. Brant Pitre

Featuring the insightful biblical teaching of Dr. Brant Pitre, *Lectio Mary: The Bible and the Mother of God* examines what Scripture, the life of Christ, and the early Church fathers reveal about Mary. By closely studying the connections between the Old and New Testaments, Dr. Pitre presents clear and easily understood explanations about the life and identity of Mary, the Mother of God.

With the artistry of the Augustine Institute's LECTIO series, this dynamic video program combine an in-depth biblical study with insightful questions, answers to common misconceptions about Mary, and personal reflections to lead the participants into a deeper love for Mary and a clearer understanding of her role in the Christian life.

World-renowned Bible teacher, Jeff Cavins (of the Bible Timeline) unwraps St. Paul's letter to the Ephesians, this short letter that reveals many remarkable gifts we as Christians are given due to the nature of the Church God established. We are his body, as a household, a mystery, a communion, a bride, and an army. Ephesians shows us the great inheritance that awaits us as sons and daughters out of God's great transformative love for us as we yield to it!

## The Turning Point by Dr. Allen Hunt

Down to earth and engaging, Dr. Hunt, a former Protestant minister turned Catholic, presents this short study of the fascinating characters of John's Gospel: the woman at the well, Pharisee Nicodemus, the woman caught in adultery, and Jesus' friend, Lazarus, whom he raised from the death. You'll explore Jesus' turning water into wine in Cana, washing the disciples' feet, and Peter's redemption after he denies Jesus three times. Like them become more like Jesus by your encounters with him in your everyday life.
