Each year, the month of October is dedicated to the Most Holy Rosary. This is primarily due to the fact that the liturgical feast of Our Lady of the Rosary is celebrated annually on October 7. We encourage you to begin a rosary prayer practice if you don't have one already! We also have opportunities to pray the Rosary at St. Hilary: Thursday Night Zoom Rosary, and Healing Rosary/Rosary for the Sick every Friday evening.

To learn how to pray the Rosary, visit the USCCB's website: [www.usccb.org/how-to-pray-the-rosary](http://www.usccb.org/how-to-pray-the-rosary).

# Faith Formation

## *Gospel Reflection*

The image of a vineyard features prominently in today's first reading and gospel. In both readings the owner of the vineyard is seen as representative of God. But Scripture scholars offer a variety of interpretations about the other parts of the readings. In the gospel, the warning implied is often seen as directed to the religious leaders of the day.

The Scriptures, especially the parables, are multivalent. They disclose a variety of truths. What if we stay "grounded," literally, in our interpretation of this parable? What if we see in the image of the vineyard our planet earth itself?

It, too, has been created with care, with everything that is necessary for life. This vineyard-earth has also been handed over by its Creator in stewardship to the care of others. How are we, the tenants, doing? Would the owner of the vineyard be pleased with how we have cared for his property? Or, like the tenants in the gospel, have we time and again prioritized our own greed over our caretaking responsibilities?

According to Pope Francis, in his encyclical Laudato Si!, our earth, our common home is suffering..."We all know that it is not possible to sustain the present level of consumption in developed countries and wealthier sectors of society, where the habit of wasting and discarding has reached unprecedented levels."(#27)

"Even as the quality of available water is constantly diminishing, in some places there is a growing tendency, despite its scarcity, to privatize this resource, turning it into a commodity subject to the laws of the market."(#30)

"Caring for ecosystems demands farsightedness, since no one looking for a quick and easy profit is truly interested in their preservation. But the cost of the damage caused by such selfish lack of concern is much greater than the economic benefits to be obtained."(#36)

It is not hard to see the behavior of the selfish tenants of the gospel in ourselves.

Did you know that on September 1, 2016, Pope Francis introduced a new work of mercy: care for our common home? Frankly, that slipped by me, too! But in his encyclical, the pope clearly makes the case that love of God, who gave us this beautiful planet, and love of neighbor, our neighbors throughout the world and neighbors yet unborn, require us to take care of this valuable common home.

So what are we to do? What can we do individually and what can we do in cooperation with others to put the two great commandments, love of God and love of neighbor, into practice as we care for the vineyard with which we have been blessed?

Let us pray about that in the coming week...

*Pat Schnee*

### ELECTION EARLY VOTING & ABSENTEE OPTIONS FOR NOV. 7

#### Issue 1 and immanent threat to parental rights

A proposed State constitutional amendment, Issue 1, if passed will among other things eliminate parents' right to be notified/consent when a minor child seeks an abortion and legally protect those who help procure an abortion, as well as create a permanent constitutional right to abortion potentially throughout pregnancy. A "NO" vote on this proposed amendment will help prevent policy.

**For those unregistered to vote, the last day to register is Oct 10. We will offer Voter Registration after Masses in the Gathering Area and Market St. entrance after Masses Oct 7/8.** Please bring either your OH Driver's License, OH Identification Card, Military ID, or Passport with you to register.

Persons may vote at their normal precinct on election day, Nov 7, 6:30 am to 7:30 pm. In-person early voting is highly encouraged at the Board of Elections and begins Oct 11.

To vote by absentee ballot, a completed absentee ballot application is necessary from the Board of Elections. This request should be made immediately because of deadlines. To obtain an application, go to <https://www.boe.ohio.gov/summit> or <http://www.boe.ohio.gov/medina> depending on your county. Scroll down and click on the tab for absentee ballot application. After completing the application, mail it to your respective Board of Elections: the Summit County Board of Elections, 470 Grant Street, Akron, Ohio 44311 or Medina County Board of Elections, 3800 Stonegate Dr., Suite C, Medina, OH 44256.
