### Sunday, October 1

Heavenly Father, the beauty and dignity of human life was the crowning of your creation. You further ennobled that life when your Son became one with us in his incarnation. Help us to realize the sacredness of human life and to respect it from the moment of conception until the last moment at death. Give us courage to speak with truth and love and with conviction in defense of life. Help us to extend the gentle hand of mercy and forgiveness to those who do not reverence your gift of life. To all, grant pardon for the times we have failed to be grateful for your precious gift of life or to respect it in others. We ask this in Jesus' Name. Amen.

## Gospel Reflection

### So much to reflect on in today's Scriptures.

We begin with the words of Jesus in Matthew's gospel. Note that he is once again addressing the **religious leaders** of his day (**chief priests and elders**). He tells them a story that could leave us scratching our heads. It is about two sons. One son absolutely refuses to do the work his father asks of him..."I will not..." but ends up doing it anyway. The other son says "Yes, sir" but does not follow through. Jesus asks: Who did the father's will? His listeners decide it was the son who changed his mind. (Some parents might think neither son responded well.)

Then Jesus moves on from this story to an **indictment** of his listeners: "Amen I say to you, **tax collectors and prostitutes** are entering the kingdom of God before you." Really? The **religious leaders** must have been astounded. Scripture scholars tell us that the parable of the two sons was Jesus' way of pointing out the failings of the religious leaders of his day...men whose words were not matched by their deeds.

So let us reflect on this. **Words matter**, especially in this time of political and religious controversy over what is true and **what is politically or religiously expedient**. We have often been told to consider WWJD when making decisions: "What would Jesus do?" Let us consider this question: **What would Jesus say?** not only to government officials but to our religious leaders concerning many of today's issues: *welcoming refugees and migrants, the growing threat to the health of our planet, the high rate of maternal and infant mortality, enacting gun laws to ease gun violence, the sacredness of all human life...*

We recall that Jesus did not follow the letter of the religious law during his time on earth. Remember the story of the woman caught in adultery. The law was clear but he chose compassion and conversion over stoning. And he welcomed everyone to the table, saints and sinners alike, causing scandal.

Would Jesus dare ask political leaders to consider ideas like **the common good** or sacrifice or the **impact on our environment**, when making decisions? Would he encourage our churches to become more affirming and welcoming? Challenging and painful questions for all who try to live the gospel in today's world! Jesus never said it would be easy.

*"Have in you the same attitude that is also in Christ Jesus..." (Philippians)*

Mary Lou Grossmann

### CHILDREN'S LITURGY OF THE WORD

Children's Liturgy of the Word has returned for the school year and will be offered during the 9 and 11 AM Masses. We invite all the parish children age 3 through third grade to follow us to the Children's Liturgy space at the beginning of the liturgy of the Word and return to the sanctuary after the intercessory prayers. If preschool age children, would like to attend, and they are new to the process, they are welcome if accompanied by a parent, not an older sibling until they are comfortable attending on their own.

We are currently for recruiting additional leaders and teens to help with CLOW. We hope to continue to provide this ministry to the parish children at both the 9 and 11 Masses for both age groups, preschool & grade school. Many hands will make light work. The commitment may be as little as serving once a month. We provide training and guides to help you prepare to lead. Contact Meghan Tuck in the Religious Education Office for more information or to volunteer.

### ELECTION EARLY VOTING & ABSENTEE OPTIONS FOR NOV. 7

#### Issue 1 and immanent threat to parental rights

A proposed State constitutional amendment, Issue 1, if passed will among other things eliminate parents' right to be notified/consent when a minor child seeks an abortion and legally protect those who help procure an abortion, as well as create a permanent constitutional right to abortion through all nine months of pregnancy. A "NO" vote on this proposed amendment will help prevent policy.

For those unregistered to vote, the last day to register is Oct 10. We will offer Voter Registration after Masses in the Gathering Area and Market St. entrance after Masses Oct 7/8. Persons may vote at their normal precinct on election day, Nov 7, 6:30 am to 7:30 pm. In-person early voting is highly encouraged at the Board of Elections and begins Oct 11.

To vote by absentee ballot, a completed absentee ballot application is necessary from the Board of Elections. This request should be made immediately because of deadlines. To obtain an application, go to <https://www.boe.ohio.gov/summit> or <http://www.boe.ohio.gov/medina> depending on your county. Scroll down and click on the tab for absentee ballot application. After completing the application, mail it to your respective Board of Elections: the Summit County Board of Elections, 470 Grant Street, Akron, Ohio 44311 or Medina County Board of Elections, 3800 Stonegate Dr., Suite C, Medina, OH 44256.

We are happy to take any donation, but this month the items we are most in need of jelly, canned fruit, tuna and macaroni and cheese. Please check the expiration dates since we cannot use anything that is expired. Thanks in advance for all your support. Our neighbors in need appreciate your generosity.

### YOU'RE INVITED TO: "What every Ohioan needs to know about threats of Issue 1 to Parents and Children"

A special presentation offered twice to accommodate busy schedules will be given by former federal prosecutor, Bernard Smith, on the imminent dangers to Ohioans if Issue 1, a proposed constitutional amendment to the state constitution passes Nov 7. Parental Rights, Minors, the Unborn up to the moment of births, and health and safety practices for Pregnant Women, are all at major risk. Please come to one of these two informational nights and invite concerned friends:

**Wed, Oct 11, 7:00-8:00 pm, Gathering Area**  
**OR**

**Tues, Oct 17, 7:00-8:00 pm, Gathering Area**

Please take this opportunity to get educated thoroughly so you can speak to others about this critical issue.
